

Hanging Warning Sign

Blocks doorway or halls from 30" to 53" wide for cleaning or maintenance

Soft, pliable sign rolls for compact storage

- Step 1.** Expand the tubing to the approximate door or hallway opening, and secure with a counter clockwise turn.
- Step 2.** Turn the knurled "Tightening Nut" counter clockwise to secure the rod between the contact points.
- Step 3.** Reverse this process for removal and store.

Both ends have a non-slip rubber tip to firmly grip the contact points, while at the same time protecting the contact surface.

Product Features:

- ▶ Fits in standard doorways and hallways. Spans openings 30" to 53".
- ▶ Prevents entry during cleaning or during maintenance.
- ▶ Highly visible, warning message English/Spanish.
- ▶ A second bottom rod helps insure a flat and readable sign even after compact storage.
- ▶ Unique double-lock design maximizes tension for years of effective use.
- ▶ Rubber padded ends firmly holds sign in place, while protecting contact surface.
- ▶ Sign is soft and pliable. Rolls up for compact storage.
